A. Qualifications

➤ Status Eligibility

1. An individual of foreign nationality, who has never held nationality status from the Republic of China (R.O.C.) and who does not possess an overseas Chinese student status at the time of his/her application, is qualified to apply for admission.
2. An individual of foreign nationality, pursuant to the following requirements and who has resided overseas continuously for no less than 6 years is also qualified to apply for admission. However, an individual who plans to apply for study at a school of medicine, post-baccalaureate medicine or dentistry must have resided overseas continuously for no less than 8 years.
 - (1) An individual who also is a national of the R.O.C., but does not hold nor has had a household registration in Taiwan.
 - (2) An individual who also was a national of the R.O.C. but has no R.O.C. nationality at the time of his/her application shall have an annulled status regarding his/her R.O.C. nationality for no less than 8 years after an annulment of R.O.C. nationality by the Ministry of the Interior.
 - (3) Regarding individuals mentioned in the preceding 2 subparagraphs, he/she must not have studied in Taiwan as an overseas Chinese student nor received placement permission during the same year of the application by the University Entrance Committee for Overseas Chinese Students.
- The six and eight year calculation period as prescribed in Paragraph 2 shall be calculated from the starting date of the semester (Feb. 1st or Aug. 1st) as the designated due date for the time of study.
- The term “overseas” as prescribed in Paragraph 2 is limited to countries or regions other than Mainland China, Hong Kong and Macau; the term “reside overseas continuously” means that an individual may stay in Taiwan for no more than a total of 120 days per calendar year. If the calculated calendar year is not one complete calendar year, their stay in Taiwan should not exceed 120 days within the calculated calendar year period. The only exceptions to this method of calculation are for those who fulfill one of the following requirements with written supported proof:
 - a. Attended overseas youth training courses organized by the Overseas Compatriot Affairs Council or technique training classes accredited by the Ministry of Education.
 - b. Attended a Mandarin Chinese language center at a university/college of which foreign student recruitment is approved by the Ministry of Education, and to which the total length of stay is less than 2 years.
 - c. Exchange students, whose length of total exchange is less than 2 years.
 - d. An Internship in Taiwan which has been approved by an authorized central government agency, to which the total length of stay is less than 2 years.
3. According to the Education Cooperation Framework Agreement, a foreign national who was selected by a foreign government, organization, or school, and does not hold a household registration from the time of his/her birth is not subject to the limitations as prescribed in the preceding 2 paragraphs after receiving the approval from the authorized educational government agencies.
4. An individual, who has both foreign and R.O.C. nationalities and has applied for an annulment of his/her R.O.C. nationality before Feb. 1st, 2011, the effective date of this amendment, will then be

qualified to apply for admission as an international student under the amendment effective before Feb. 1st, 2011 and will not be subject to the limitation as prescribed in Paragraph 2.

5. An applicant of foreign nationality, concurrently holding a permanent residence status in Hong Kong or Macao, having no history of a household registration record in Taiwan, and at the time of application, has resided in Hong Kong, Macao, or another foreign country for no less than 6 years is qualified to apply for admission. However, an individual who plans to apply for study at a school of medicine, post-baccalaureate medicine or dentistry must have resided overseas continuously for no less than 8 years.
6. An applicant being a former citizen of Mainland China and holds a foreign nationality, having no history of household registration record in Taiwan, and at the time of application, has resided overseas continuously for no less than 6 years is qualified to apply for admission. However, an individual who plans to apply for study at a school of medicine, post-baccalaureate medicine or dentistry must have resided overseas continuously for no less than 8 years.
7. Announced by Taiwan Representative Office in Vietnam, Vietnamese applicants will need to provided language certificate for admission for degree program and Taiwan Visa. Please refer to: https://enr.kmu.edu.tw/yamgetdocbef.php?bno=int,11&at=int11_1.pdf

I. Important Admissions Reminders

1. 【According to the Article 2 of the Law of Nationality of the R.O.C.】

A person shall have the nationality of the R.O.C. under any of the conditions provided by the following Subparagraphs:

- (1) His/her father or mother was a national of the ROC when he/she was born.
- (2) He/she was born after the death of his/her father or mother, and his/her father or mother was

a national of the ROC at the time of death.

- (3) He/she was born in the territory of the ROC, and his/her parents can't be ascertained or both were stateless persons.
- (4) He/she has undergone the naturalization process.

Preceding Subparagraph 1 and Subparagraph 2 shall also apply to the persons who were minors at the time of the amendment and promulgation of this Act.

2. Applicants who have graduated from a high school, college or university recognized by the Ministry of Education – Taiwan (<http://fsedu.cloud.ncnu.edu.tw/>) can apply for admissions.
3. According to the Ministry of Education regulations, if you have ever been expelled by any university or college in Taiwan under these circumstances (with drop-out records due to failure in conduct grades, academic grades, or being indicted guilty by the criminal law), you are not allowed to apply to this university. Violation of this regulation will result in the denial of admission regardless of the merits of the application.
4. If foreign students apply for the initial household registration in Taiwan R.O.C. or acquire naturalization or restoration of Taiwan Nationality during their period of study, their status of foreign students will be denied and their student status will be discontinued.
5. No double identities (overseas compatriot students and international students): Individuals should decide with which status they wish to apply from the very beginning, as the rules are strict and there are no exceptions. Those who study in Taiwan with double identities (overseas compatriot and international student) will have their recognized student status revoked.
6. Undergraduate Programs are taught in Chinese. Applicants are required to have adequate Chinese reading, writing, listening and speaking skills. Most of the courses of School of Post-Baccalaureate Medicine and Graduate Institutes are taught in English.
7. At the time of registration, admitted students should present proof of a medical and injury insurance policy which is valid for at least 6 months from the date of their arrival in Taiwan. The proof of insurance issued in a foreign country shall be authenticated by the Taiwan Overseas Mission. KMU provide insurance application assistance to those who are not insured: insurance payment should be made upon registration.
8. Admitted applicants, who arrived after the 1st semester had started for one-third of the first semester of the current school year, are not permitted to enroll in that semester. Graduate students are allowed to enroll for the second semester with the approval of the dean of their faculty or graduate institute.
9. According to KMU Study Disciplines, the international students whose graduated levels are equivalent to the 11th year in Taiwan should take 20 more credits than others for graduation.
10. KMU offers a free and short-term intensive Chinese course during the summer. Students are responsible for their living expenses, accommodation and visa fee.
11. For all other related information, please refer to the Ministry of Education Regulations Regarding International Students Undertaking Studies in Taiwan, International Student Recruitment Regulations

of KMU, and other relevant rules.

12. No application documents would be returned for any reason. Please make copies for yourself if needed.
13. The degree awarded by each department or institute would follow the format announced by the Ministry of Education, Taiwan, R. O. C. (MOE).
14. The Internship and Medical licensing examinations (Examinations for Medical Personnel) in Taiwan will be held in Chinese mainly.
15. Recent graduates are not requested to submit the diploma in the application periods. However, the diploma must be submitted when register at the school.
